I. GENERAL INFORMATION

A. Principal's Letter

Dear Christ the Teacher Catholic School Families,

Welcome to the 2021-2022 school year at Christ the Teacher Catholic School. We are excited to see what the 5th year here at our Holy Family Campus brings with it. The Family Handbook is meant to be a source of information about the expectations we have at CTCS. It covers academic, social behaviors, uniform and dress code policy, attendance and much more. Parents, faculty, and students should have a good understanding of CTCS expectations, which will provide a safe and effective learning environment for all.

CTCS is cultivating students and planting seeds in the valley of Yakima, and committed to growing students in faith, academics, and service.

At Christ the Teacher Catholic School, our caring, dedicated staff believes in each child and is committed to teaching them to find their talents and gifts. As we prepare our children for their future, we thank you for your continued support and welcome you to Christ the Teacher Catholic School.

May God bless you this school year-

Heather Remillard
Christ the Teacher Catholic School, Principal

B. Christ the Teacher Catholic School Mission and Philosophy Statements

Mission

Christ the Teacher Catholic School is a faith-filled school partnering with families and the community to nurture all students in the development of Catholic Identity, high academic achievement, and responsible citizenship, through service to others.

Philosophy

At Christ the Teacher Catholic School we believe that it is our responsibility to create a faith-filled environment committed to the growth and development of the whole child, with the belief that all students are blessed with the ability to learn and it is our responsibility to nurture and develop that potential. We partner with parents in the spiritual, emotional, and academic growth of CTCS students. It is our aim to develop responsible citizens who serve their community like Christ. We liken this process to the growth of the mustard seed, from **root to branches**; our responsibility being to nourish the roots, strengthen the core, and extend the branches of each child.

We believe it is our responsibility to see each CTCS student become firmly **rooted in the Catholic faith**. Acknowledging and respecting the various faith traditions of our school community, we seek to help our students follow the example and share the Good News of Christ and know the teachings of the Catholic Church. We do this by attending mass, monthly rosary, diocesan-approved religion curriculum, community outreach, daily prayers and scripture readings.

We believe that all our students are blessed with the ability to learn and it is our mission to **strengthen their academic core**. It is our responsibility to meet each student where they are and help them realize their greatest potential. We do this through adhering to the Washington State Standards and using best teaching practices to differentiate for all students. We seek to prepare our students to successfully meet the challenges of our global community by striving to enhance their capabilities to: critically think and problem solve, reflect on their own learning, and express their thoughts and ideas through oral, written, and artistic communication.

We believe through opportunities gained at CTCS, our students will serve their communities by **branching out** to share their unique gifts with others, promote social justice within and throughout the community, and actively participate in service projects at the school, local, and global levels. Our primary goal is to foster students who are responsible citizens who serve their community like Christ.

In the Gospel of Matthew, Christ taught of the power of the tiny mustard seed. When planted and nourished, the seed is allowed to grow roots, eventually becoming a mighty tree whose branches shelter others (Matthew 13:31-32). Similarly, Christ taught that faith the size of a mustard seed can accomplish great things (Matthew 17:20). Our belief is that working collaboratively with families and Holy Family parish, CTCS will provide the spiritual, academic, and compassionate growth that that will enable our students to flourish. Like the mustard seed, CTCS is cultivating students and planting seeds in the valley of Yakima, committed to growing students in faith, academics, and service.

C. Accreditation

Christ the Teacher Catholic School is a WCEA Accredited School as of June of 2021. We received a full Accreditation.

D. History of Christ the Teacher Catholic School

Christ the Teacher Catholic School opened its doors in August of 2017 on the corner of 56th and Chestnut in Yakima, Washington. II. Academic Information

A. Academic Integrity

It is expected that all students will maintain a high degree of academic integrity in the performance of their schoolwork. Academic dishonesty is defined as, but not limited to, cheating, plagiarism, and copying of or doing another person's homework assignments.

A student who violates this policy is considered to have committed a serious behavioral infraction and may be subject to the appropriate disciplinary action as

outlined in this handbook. The student may also receive a failing grade on that exam or assignment.

The mission statement of Christ the Teacher Catholic School states that we prepare our students for “academic excellence while nurturing faith and integrity.” We set high performance expectations for our students in the believe that they are able and willing to respond to those expectations.

B. Grading

- **The performance scale for all grades, K-8 are as follows:**

- **4** – Exceeds Standard – The student consistently demonstrates an understanding and application of skills and concepts beyond the grade level standard.
- **3** – At Standard – The student is able to consistently demonstrate mastery of the grade level standard. Evidence shows ability to apply concepts in a variety of contexts.
- **2** – Approaching Standard – The student is able to demonstrate partial understanding of the grade level standard. Student produces evidence that may often contain errors.
- **1** – Not at Standard – The student has not made sufficient progress towards mastering the grade level standard.
- **NE**—No Evidence—The student has not submitted enough work for this standard to be accurately assessed on it.
- **NA**—Not Assessed-- The standard was not addressed this quarter, or the student was not enrolled long enough to accurately assess it.

C. Academic Honor Roll (5th – 8th Grade)

The academic honor roll recognition program is recognized quarterly. In order to be recognized for students’ academic achievements they must have turned in ALL work and must have a 2 or higher in the standards covered that quarter.

D. Curriculum

The curriculum at Christ the Teacher Catholic School is based on the Diocese of Yakima. This curriculum is cross-referenced with Washington State Standards.

Christ the Teacher Catholic School provides a supportive educational environment in which students and faculty work together in the spirit of Christian focus. A strong curriculum that serves as a foundation for further study includes the following subjects:

- Religion (including the Safe Environment Program and We Believe Religion Curriculum tied to National Standards)
- Mathematics
- Language Arts
- Social Studies/History
- Science
- Physical Education/Health
- Art
- Music – Choir, Band, Orchestra
- Integration of technology into all areas of the curriculum
- Spanish

Parents are the primary educators in the faith formation of their children. The role of the school is to support families in this very critical aspect of parenting. Since children closely follow the example of their parents, families are encouraged to be active participants in their faith community by regular attendance at Mass and by sharing their time, talents, and treasures with their community.

E. Class Placement Policy

Class placement is determined after the conclusion of school in June. Parents may not request a specific teacher but may provide a written statement of what they see as the specific needs of their student. This letter must be presented to the principal by June 1. Class lists are published the Friday before school starts. Lists are final unless unusual circumstances require a change approved by the principal.

F. Homework Guidelines

Homework is given in all grade levels. The purpose of homework is to provide the opportunity for academic reinforcement and to foster good study habits.

If a student is having consistent difficulty with homework, the issues should first be taken up with the teacher. **Individual teachers/grade levels will set their policy for accepting and grading late homework.**

G. Supplies, Textbooks and iPads

Students are responsible for obtaining and maintaining their own basic school supplies. A supply list is sent out to all registered families in June: they are also available in the school office and webpage. Some supplies may need to be replenished throughout the year.

All K-8 students are assigned an iPad and must follow the iPad student manual and signed agreement.

If a student damages a book or iPad and the book or iPad is still usable, a damage fee will be assessed. If a student destroys or defaces a book or iPad or does not return it at the end of the school year, the parent/s will be billed for the cost of the replacement.

III. ADMISSION AND WITHDRAWAL

A. Admission Policy

Enrollment in Christ the Teacher Catholic School will generally be allocated in the following order of priority:

1. Current CTCS families. A current CTCS is a family who has a student currently enrolled at the school. Siblings of currently enrolled students have first priority of acceptance.
2. All others

B. Placement

Students registering for Kindergarten must be five years of age on or before August 31 of the year for which they are applying for admission. Students registering for first grade must be six year of age on or before August 31 of the year for which they are applying for admission.

Students will be placed in the proper grade according to their successful completion of the previous grade level work.

C. Registration Process

1. Registration materials – available for current families in February
2. Complete registration forms and fee – due in the school office in February
3. After the specified February deadline, registration is open on a first-come, first-serve basis to waitlisted families, current families who did not meet the February deadline and any new family seeking enrollment.

D. Statement of Nondiscrimination

Christ the Teacher Catholic School admits students of any race, color, national, religious, or ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to all the schools. Christ the Teacher Catholic School does not discriminate based on race, color, national or ethnic origin in administration of its educational policies, admissions policy, athletics and other school-administered programs.

E. Transcripts and School Records

Educational records are the property of the school. To see your student's records please make an appointment at the school office. The principal or his/her delegate must be present while the file is being read.

Non-custodial parents have the right of access to information and to unofficial copies of records unless there is a court order to the contrary on file in the school office.

A certified copy of the custody section of any restraining order, parenting plan, custody decree, divorce decree or other court order, which in any manner whatsoever, pertains to children enrolled in this school, and the most recent amendment or modifications thereof, if any, must be filed in the student's official file. The paperwork must be certified by the Clerk of the Court of jurisdiction, the same court which made the parenting or custody determinations. The school will abide by the guidelines of each individual plan. If there is a court order specifying that there is to be no information given, it is the responsibility of the custodial parent to provide the school with an official copy of the court order.

- **Health cards and records of immunizations** are kept in the school office. Original health records are forwarded to the student's next school.
- **Permanent record cards** are kept at the school. A copy of this record is forwarded at the time of transfer to a new school.
- **Sacramental records** are kept in the student's official file to document the Sacraments of Baptism, First Holy Communion and Reconciliation.
- **Attendance records** are kept on each student. Total days absent and tardy are kept on file.
- **Transfers of records** are made at the time of an authorized request from the receiving school. All records are mailed directly to that school. **All tuition and other fees must be paid in full prior to the transfer of documents.**

IV. FINANCES

A. Tuition

Christ the Teacher Catholic School services are financed through tuition and fees, fund-raising and contributions from various individuals and entities. Since the majority of support is derived from tuition income payments **MUST** be made in a timely manner.

Families who do not remit regularly scheduled tuition payments, as signed by the Promissory Note, will be considered delinquent and are subject to incurring late fees. Families with delinquent tuition balances may be subject to the following:

- A payment contract to ensure your child continues at CTCS

- Loss of eligibility for re-registration
- Withholdings of school records and/or report cards

B. Payment Options

Plan A One annual payment:	Due on or before June 30 th
Plan B 10 month payment:	Due September through June using FACTS
Plan C 12 month payment	Due July through June using FACTS

Payment Plans B and C must use the FACTS tuition management plan. All tuition paid through FACTS will be deducted from the checking or savings account. FACTS charges a monthly late fee on all accounts when payments are late. Charges will continue to accrue until all fees are paid in full.

If a family has an unforeseen financial situation arise which will cause a payment to be late, the principal or finance individual must be contacted before the due date to make acceptable payment arrangements. If the account becomes 60 days past due and you do not make satisfactory arrangements with the principal or finance individual, your child(ren) will be excluded from school.

Withdrawal Process:

To withdraw a student from Christ the Teacher Catholic School, the parent informs the principal, in writing, of the family's intent to leave the school.

A percentage of the semester tuition is charged for each week that the student was enrolled from the beginning of the semester through the week in which enrollment was terminated, according to the following schedule:

Week of Enrollment (Percentage of Tuition Charged)

One (20%), Two (35%), Three (50%), Four (70%), Five (90%), Six (100%)

The date of termination will be the Friday of the week during which the office receives written notification from the parent that the students is terminating enrollment.

Withdrawal of a student does not automatically release a parent from financial obligations.

C. NSF Checks

Any checks returned for non-sufficient funds will result in a \$35 service fee.

D. Tuition Assistance Guidelines

Christ the Teacher Catholic School is committed to providing quality Catholic education to all children who wish to attend. Tuition assistance is available.

Since limited funds are available for tuition assistance, it is imperative that application for financial assistance be made when the date is published. Applications for assistance must be filled out on FACTS. Applicants will be notified by mail and e-mail of tuition assistance awarded.

V. ATTENDANCE

No student may leave the school grounds during school hours without being signed out of the school office.

PARENTS, IF YOU GO OUT OF TOWN WITHOUT YOUR CHILDREN, PLEASE INFORM THE SCHOOL OFFICE OF THE DATES YOU WILL BE GONE AND WHO WILL BE SUPERVISING YOUR CHILDREN.

A. Daily Schedule- subject to change

7:40-8:00	Drop off and students report to first period class
8:00	Class Begins
3:00	Dismissal
3:15-5:00	BASE afterschool program

ARRIVAL/DISMISSAL: Students are to be in class ready to learn at 8:00 am. If students arrive after 8:00 am they need to check in at the office. The students are dismissed at 3:00 pm Monday-Friday. Any students not picked or who will be attending BASE afterschool will be checked in at 3:15pm. Families will be charged for one hour starting at 3:15pm.

B. Absences

Daily attendance is an integral part of the educational experience at Christ the Teacher Catholic School. The classroom instruction and interaction between students and teachers are extremely important and cannot be readily duplicated. **Illness should be the reason for nearly all absences.**

The absence of students from school during the school year for family vacations, travel, or other reasons not related to school functions, is not recommended.

Parents MUST fill out a pre-arranged absence form and return it to the school office to notify the school of any vacations and the dates the students will be absent. TEACHERS MAY CHOOSE TO NOT HAND OUT WORK PRIOR TO THE VACATION. Upon return, it is the student's, parent's and teacher's responsibility to communicate regarding missing assignments. It is the parents' and student's responsibility to cover concepts and skills taught while the student was gone. Long-term projects are due on assigned dates or upon return.

While homework can be made up, there is no replacement for actual teaching of concepts in class. Excessive absences for reason other than illness may be reflected in a student's learning and grades.

Reporting an absence:

It is the responsibility of the parent or guardian to call the school office (575-5604) or email Cinthia Benitez cbenitez@ctcsyakima.org at the start of the school day to report an absence. Upon the student's return, their parent must send a note explaining the reason for the absence.

C. Tardiness

It is important your child arrives to school on time every day. Both students and parents are responsible for this expectation. If a student is tardy, it impacts the education process, disrupts the classroom and interrupts the learning of all students.

- A student is considered tardy when not in the classroom in the "ready to learn mode" by 8:00 am. Walking into class at 8:00 am is considered tardy.
- **When a student is late for school, the parent (or adult who drops off the student at the school) must accompany the student to the office.** This must take place before the student is allowed into the classroom.
- Tardies are considered excessive when the student has been tardy three (3) times in a one-month period. Excessive tardiness will result in a parent-principal conference.
- Students who are excessively tardy will be contacted by administration and a plan will be set up to curb this concern.
- Teachers and the school office should be notified, in advance, when a student is going to be late to school due to an appointment.
- Attendance at Mass is an important part of our religion program. Students must be at school no later than 7:55 am on Friday's to allow for the entire school to be present for 8:15am Mass at Holy Family. Any student who arrives after that time will stay in the office and marked incomplete for Mass on that day. **DO NOT drop your child off at Holy Family Church.**

D. Appointments During School Hours

Please arrange for appointments outside of school hours whenever possible. If a student must leave during the day a phone call the school office needs to be made the morning of the appointment. This allows the school to be aware of the student's departure ahead of time and reduces the disruption to class time.

Students will immediately be sent home when they are involved in fighting or when their deliberate choice of behavior results in harm or injury to another student. They will not return to school until a parent-student conference is held with the principal.

C. Disciplinary Action for Serious Behavioral Problems/Due Process

Serious behavioral problems are defined as repeated interruption of the educational process, behavior that could result in injury to students, property or others, or any action that is a flagrant violation of school rules.

On a daily basis, teachers handle discipline issues as they arise in their own classroom. Parents are not notified of every minor infraction. If a particular situation warrants more immediate attention, one of the following actions will occur:

Behavioral consequences could occur during the school day in the form of restricted recess time or reflection time in the office.

OR: Teacher-Student Conference

Teacher and student meet to discuss the problem and complete a plan of action. A copy is sent to the principal and a copy sent home with the student for parent signature.

OR: Teacher-Student-Principal Conference

Teacher, student and principal meet to discuss the previous and current problems. A plan of action is completed.

OR: Student-Principal-Parent Conference (Teacher may also be present)

A plan of action may be written, and parents may be asked to sign a form indicating their support of the plan and actions. Students and parents are informed of possible suspension or expulsion if misbehavior continues.

OR: Short-term Suspension

If serious behavior occurs parents will be called, and the student may be sent home that day and may be asked to remain there for the following day. A conference is required between principal, parent and student before student is allowed to return to school.

OR: Long-term Suspension

Continued non-compliance will result in suspension for no less than 3 school days. Parents will be notified, and a conference is required between principal, parent and student before student is allowed to return to school. Parent will sign a plan of action indicating their support.

Homework Policy for Long and Short-Term Suspension

- All assignments due during the suspension must be made up and will be marked late and graded according to the individual teacher's late homework policy.

2. Parent Involvement
3. Probation
4. Expulsion

Additional Information:

- Any student whose behavior outside the school day detrimentally impacts the school, its program's or reputation, or its students, will be subject to the discipline code of the school as shown above.
- This behavior includes inappropriate use of technology. "Inappropriate use" includes harassment, use of school name, offensive remarks directed to or about individual staff or students, and/or offensive language not in keeping with our Christian values.

An appropriate school authority shall notify law enforcement and the student's parent or guardian regarding an allegation or indication of such violation.

F. Alcohol and Other Drug Use

The use or possession by students of illegal substances, including but not limited to tobacco, drugs, alcohol, and various types of inhalants, on school premises or at school-sponsored activities is prohibited and is grounds for disciplinary action up to and including expulsion.

VIII. HEALTH SERVICES

Christ the Teacher Catholic School strives to maintain a healthy environment, and sick and injured students are attended to immediately. If a child is too sick to stay in the classroom, they must be picked up immediately. The school keeps health histories and immunization records on file in the school office. These are completed during registration: please notify the office immediately if there are any changes to your child's health condition throughout the school year.

A. Covid-19

The Covid-19 pandemic necessitates a shift in the health screenings and services provided by the school.

CTCS has developed a wellness policy for both students and staff that requires sick students and staff to stay home. Students or staff who show any symptoms WILL NOT be admitted to the campus, including but not limited to:

- Shortness of breath
- Sore throat
- Cough
- Fever over 100.4 degrees F
- Chills
- New loss of taste or smell

- Congestion (Not related to allergies)
- Runny nose (Not related to allergies)

Students and staff who show any COVID-19 symptoms return procedure:

- At least three days (72 hours) have passed since recovery—defined as no fever without the use of medications and improvement in respiratory signs like cough and shortness of breath.

AND

- At least 10 days have passed since signs first showed up.

OR

- It has been at least three days (72 hours) since AND health care provider has certified that the student or staff do not have suspected or confirmed COVID-19.
- If a person believes they have had close contact to someone with COVID-19, but they are not sick, they should watch their health for signs of fever, cough, shortness of breath, and other COVID-19 symptoms during the 14 days after the last day they were in close contact with the sick individual.

Measures used when student or staff become sick:

CTCS has established a place in the office that will allow for the student to be monitored but isolated when they become sick.

- A sick bed is located in the office and is able to be monitored when students are present.
- The multi-purpose room will be utilized in the case of multiple students or staff displaying symptoms. This room will also be monitored by staff until students are taken home.

CTCS will disinfect and clean the area once the student/staff member leaves campus.

CTCS will ensure that parents/guardians understand they are obligated to pick up a child immediately if called because they are sick or are showing symptoms of being sick.

If a student, staff member, or visitor to the school is or is presumed to be positive for COVID-19, the Diocese of Yakima and the local Health department will be contacted by the school principal.

Please see the CTCS Reopening Plan for further information and guidelines regarding school policies and procedures surrounding Covid-19.

B. Communicable Diseases/Conditions

PLEASE DO NOT SEND AN ILL CHILD TO SCHOOL. There could be some serious health problems for your child and other students. If your child is ill or his/her fever is higher than 103 degrees, you should contact your health care provider for advice.

Some students have medical conditions that can become life threatening when exposed to: measles, strep, chicken pox/shingles, fifth disease, Rubella and hepatitis. If your child is diagnosed during the school year with any of these diseases, please call the school office immediately.

WHEN SHOULD I KEEP MY CHILD HOME?

A parent or legal guardian must also complete a current written request for the school to administer the medication. The medication must be in the original container, properly labeled, and list the prescribing doctors name and phone number. A list of any side effects that the school faculty and staff need to be watchful for must accompany the medication. However, the school will not be responsible for the detecting any such side effects. In addition, it is the parent or guardians responsibility to maintain an adequate supply of medication at school.

Parents who do not want their phone number listed in the directory should indicate this request in writing in their registration packet.

In the absence of a court order to the contrary, Christ the Teacher Catholic School will provide the non-custodial parent (when requested) with access to the academic records and to other school-related information regarding the child. If there is a court order specifying that there is to be no information given, it is the responsibility of the custodial parent to provide the school with an official copy of the court order, and official documentation of the custody order. We ask that all divorced families furnish the school with a copy of the custody section of the divorce decree. This information will help the school in determining when, if ever, the child can be released to the non-custodial parent.

I. Abuse

If any educator has reasonable cause to believe that a student has suffered from child abuse, Washington State law requires the educator to report this to the Children's Protective Services. Appropriate disciplinary action will be taken if harassment is found to have occurred. No one will be retaliated against for reporting questionable conduct.
